Thank-you for expressing an interest in our Creo Elements Pro teacher accreditation course. Before attending the course please log on to [www.ptc.com](http://www.ptc.com) and set up a user account in your own name. You will need the log-in name and password in order to be able to install the software on your computer during the course. Please bring a stand-alone lap top computer with you to the course.

I look forward to working with during the course.

Regards

Mike Finney
